\*Bureau Work; means inspection preparation, inspection reporting, evaluation of reports, filing, evaluation of TBS entries and residue notifications (other than OFIS notifications).

\*\* The number of days spent for travel to the address where the inspection was carried out and returning.

\*\*\* A service fee of 40 Euro per piece is required for the COI /GB COI certificate, which is prepared for sales to EU member countries and Great Britain and contains up to 20 tons of product. If the amount of product contained in the COI/GB COI is over 20 tons; for each increase of 1 ton, a service fee of 2 Euro per ton is charged in addition to the unit COI/GB COI fee of 40 Euro. Eg. for 1 COI/GB COI certificate containing 35 tons of product, the invoiced fee will be 40 Euro for 20 tons, 30 Euro for 15 tons, 70 Euro in total.

According to the notification made by the European Commission Directorate General for Agriculture and Rural Development, in the list of countries listed in the notification, including Turkey, additional control measures will be applied to the specified products. A service fee of 60 Euro per piece is required for the COI/GB COI certificate containing up to 20 tons of products subject to additional control measures. In case the amount of product subject to additional control measures contained in the COI/GB COI is over 20 tons; For each increase of 1 ton, a service fee of 3 Euro per ton is charged in addition to the unit COI/GB COI fee of 60 Euro eg. for 1 COI/GB COI certificate containing 25 tons of product subject to additional control measures, the invoiced fee will be 60 Euro for 20 tons, 15 Euro for 5 tons, 75 Euro in total.

\*\*\*\* It is the number of residue notifications received from the control bodies and/or authorities.

\*\*\*\*\* It refers to additional announced and/or unannounced inspections for residue notification, non-closing non-conformance, risky product, intermediate or long harvesting products, etc., apart from the annual Additional announced and/or unannounced inspections included in the F-P01.04.01 Organic Agriculture Control and Certification Price offer form.

The validity period of the given offer is 30 days. If the signed offer is not sent back within this period, the offer will become invalid.

The above prices do not include VAT (20%). Prices are valid throughout the agreement.

Başak Ekolojik and the operator, before the contract is signed or during the contract renewal period for ongoing operators, F-P01.04.01 Organic Agriculture Control and Certification Price offer form is mutually signed and an agreement is reached on the price.

In case the control period specified in the price offer is extended due to the failure of the inspection organization by the operator to carry out the inspection as required (eg 6 manufacturers cannot be contacted per day, etc.), the extra inspection time is billed to the operator after the inspection.

Travel, accommodation and meal expenses are calculated on the invoices submitted to Başak Ekolojik accounting by the inspectors and invoiced to the operator by Başak Ekolojik after the inspection. If requested by the operator, estimated travel, accommodation and meal expenses are specified in F-P01.04.01 Organic Agriculture Control and Certification Price offer form. However, if the cost is more than this estimated amount during the inspection, the exceeded amount is invoiced to the operator after the inspection.

Cargo or registered mail costs of all kinds of shipments made by the operator or Başak Ekolojik are covered by the operator.

The operator is obliged to pay 10% of the price stated in the F-P01.04.01 Organic Agriculture Control and Certification Price offer form, within 10 days after the signing of the agreement, and the remainder within 10 days after the presentation of the invoice. For unpaid agreements (including analysis), inspection is not carried out according to the TR Regulation and EU Regulation, a certificate is not issued and all works and transactions of the operator regarding organic agriculture are stopped.
